**THE CONSUMER & GOVERNMENTAL AFFAIRS BUREAU SEEKS COMMENT TO
REFRESH THE RECORD ON THE COMMISSION'S RULES GOVERNING
INTERSTATE PAY-PER-CALL & OTHER INFORMATION SERVICES
CC Docket No. 96-146**

COMMENT DATE: 45 Days after publication in the Federal Register
REPLY COMMENT DATE: 60 Days after publication in the Federal Register

On July 11, 1996, the Commission released an Order and Notice of Proposed Rulemaking, which, among other things, amended the Commission's Rules governing interstate pay-per-call and other information services to conform with the requirements of the Telecommunications Act of 1996 (1996 Act).¹ Through amendments to Section 228, the 1996 Act addressed abusive practices that threatened public confidence in toll-free numbers and left telephone subscribers vulnerable to unexpected charges for calls and information services. The rule amendments were designed to comply with this statutory mandate.²

The Order and Notice of Proposed Rulemaking proposed new rules to correct abuses involving presubscribed information services and the use of 800 numbers and other toll free numbers to charge subscribers for information services. In the Notice of Proposed Rulemaking, the Commission proposed limited modifications to the Commission's rules which contain our presubscription definition, toll-free number limitations, and billing requirements.³ We also sought comment on whether additional regulations were necessary to protect consumers from certain practices by common carriers involved in transmitting interstate information services that could be interpreted as not being just and reasonable under section 201(b) of the Communications Act.

We now **seek** comment to refresh the record regarding the issues outlined in the Notice of Proposed Rulemaking. Pursuant to Sections 1.415 and 1.419 of the Commission's rules, 47 C.F.R. §§ 1.415, 1.419, interested parties may file comments on or before **45** days after
